**Enco is proud to announce the Green GiveBACK program!
With every purchase you make, Enco will GiveBACK to the environment
on your behalf with a donation made from your purchase.**

Here's why your purchases are Good for the Environment...

**Enco takes 1% of your Enco product purchase
and donates to one of our affiliated environmental organizations.**

Reforestation carbon offset programs reduce GHG by sequestering CO2 emissions.

Trees evaporate water, increasing clouds to help keep the planet cool.

Cumulative Sales Amount	=	# of Trees planted
\$200	=	1 tree
\$400	=	2 trees
\$1,000	=	5 trees
\$2,000	=	10 trees
\$10,000	=	50 trees
\$20,000	=	100 trees
\$50,000	=	250 trees
\$100,000	=	500 trees

Each person in the U.S. generates approx. 2.3 tons of CO2 each year.

Just 1 tree alone will absorb about 1.11 tons of CO2 in its lifetime.

Good for You... Good for the Environment!™
